

SHIONOMISAKI

CAMPING AT THE SOUTH EDGE OF JAPANESE MAIN ISLAND. YOU WILL WATCH BEST SUNSET IN YOUR LIFE.

Fishing, BBQ, hot spring, and best view

We will have a camping in Shionomisaki, the south edge of Japanese main island. The camping site is located on a cape. You can watch very good view from it.

In the site, there are cooking places outside, a gym, bath, and so on. We will have two night parties there. At the first night, we will enjoy BBQ. At the

second night, we will have a fish party using fish caught in the day.

There is also good hot springs in the town. You can take it.

The camping place is located in very good natural environment, so you can enjoy walking and driving around it in

cool air of fall. You can, of course, watch stars clearly.

We will stay in a loghouse and the main guest house. It is well-maintained.

You can enjoy sports on grass field and the gym. You can also play ground golf there!
